Create your first task

HooTasks keeps your team's work organized. Create a task, verify the saved result and adjust your workspace preferences with these short walkthroughs.

Prerequisites

1. Open your workspace with permission to create tasks.

Tip: Use a short title that describes the next action.

1. Enter a clear task title and choose its priority.
2. Select Create task. Check that the task appears in the list and that a confirmation is shown.

Fill in the task details

A names your task. B controls its priority. Select Create task to save it.

The screenshot shows the HooTasks interface. At the top left is the logo 'HooTasks.' and a dark blue bar on the right. Below the logo is the text 'TEAM WORKSPACE' and 'Your workspace, in focus.' followed by the subtitle 'A clear place for your team's next steps. Start small. Keep moving.' The main content area has two panels. The left panel, titled 'Create a task', contains the instruction 'Turn your next idea into an actionable task.' Below this is a 'Task title' field with the placeholder text 'What needs to get done?' and a red circle 'A' next to it. Below the title field is a 'Priority' dropdown menu with 'Normal priority' selected and a red circle 'B' next to it. A red arrow points from 'B' to the dropdown. At the bottom of the 'Create a task' panel is a green 'Create task' button with a red circle '1' next to it. The right panel, titled 'Upcoming tasks', contains the text 'The work that matters, all in one place.' and 'No tasks yet. Create your first one to get started.' At the bottom of the interface is a 'Quick tip' box with the text 'Clear titles make collaboration easier. Use an action verb and a specific outcome.' and the text 'MAKE IT YOURS' at the very bottom.

A • Give the task a descriptive title.

B • Choose a priority for your team.

1 • Save the new task.

Task form in detail

A focused view keeps the form readable and assigns references automatically.

The screenshot shows a 'Create a task' form within a light blue container. The form has a title 'Create a task' and a subtitle 'Turn your next idea into an actionable task.' Below this are two input fields: 'Task title' and 'Priority'. The 'Task title' field contains the text 'Prepare the launch checklist' and is highlighted with a red border and a red circle 'A' to its left. The 'Priority' field is a dropdown menu showing 'High priority' and is highlighted with a blue border and a blue circle 'B' to its right. A blue arrow points from circle 'B' to the 'Priority' field. Below the 'Priority' field is a green 'Create task' button. A red circle 'C' is to the right of the button, with a red arrow pointing from it to the button. Below the button, the text 'Task created successfully.' is displayed in green.

A • Your task title.

B • The selected priority.

C • The save confirmation.

Customize workspace notifications

HooTasks keeps your team's work organized. Create a task, verify the saved result and adjust your workspace preferences with these short walkthroughs.

Note: Preferences are configured separately from individual tasks.

Warning: Enable email notifications only for an account you control.

1. Open Workspace preferences, enable Email notifications and select Save preferences.

Workspace preferences

Preferences are near the bottom of the workspace. Long screenshots stay readable across PDF pages.

Workspace preferences

A · Turn notifications on or off.

B · Save your preferences.
