1. Create your first task
2. Customize workspace notifications

Create your first task

HooTasks keeps your team's work organized. Create a task, verify the saved result and adjust your workspace preferences with these short walkthroughs.

1. Enter a clear task title and choose its priority.
2. Select Create task. Check that the task appears in the list and that a confirmation is shown.

FIGURE 1.1

Fill in the task details

A names your task. B controls its priority. Select Create task to save it.

The screenshot shows the HooTasks interface. At the top left is the logo 'HooTasks.' and a dark blue bar on the right. Below the logo is the text 'TEAM WORKSPACE'. The main heading is 'Your workspace, in focus.' followed by the subtitle 'A clear place for your team's next steps. Start small. Keep moving.' The interface is divided into two main sections. The left section is titled 'Create a task' and contains the instruction 'Turn your next idea into an actionable task.' It has a 'Task title' input field with the placeholder text 'What needs to get done?' (annotated with a red circle 'A'), a 'Priority' dropdown menu currently showing 'Normal priority' (annotated with a red circle 'B'), and a green 'Create task' button (annotated with a red circle '1'). The right section is titled 'Upcoming tasks' and contains the text 'The work that matters, all in one place.' and 'No tasks yet. Create your first one to get started.' At the bottom of the interface is a 'Quick tip' box that says 'Clear titles make collaboration easier. Use an action verb and a specific outcome.' and the text 'MAKE IT YOURS'.

A Give the task a descriptive title.

B Choose a priority for your team.

1 Save the new task.

FIGURE 1.2

Check the saved task

The task now appears in your workspace. The confirmation shows that the save completed.

2 Your newly created task.

3 Successful save confirmation.

FIGURE 1.3

Task form in detail

A focused view keeps the form readable and assigns references automatically.

The screenshot shows a 'Create a task' form within a light gray container. The form has a white background and rounded corners. At the top, it says 'Create a task' in bold, followed by the instruction 'Turn your next idea into an actionable task.' Below this is a 'Task title' label and a text input field containing 'Prepare the launch checklist'. This input field is highlighted with a red border and labeled 'A' with a red circle. Underneath is a 'Priority' label and a dropdown menu showing 'High priority' with a downward arrow. This dropdown is highlighted with a blue border and labeled 'B' with a blue circle. Below the dropdown is a dark green 'Create task' button. At the bottom of the form, it says 'Task created successfully.' in green. A red arrow points from a red circle labeled 'C' to the success message.

- A** Your task title.
- B** The selected priority.
- C** The save confirmation.

Customize workspace notifications

HooTasks keeps your team's work organized. Create a task, verify the saved result and adjust your workspace preferences with these short walkthroughs.

1. Open Workspace preferences, enable Email notifications and select Save preferences.

Workspace preferences

Preferences are near the bottom of the workspace. Long screenshots stay readable across PDF pages.

Workspace preferences

A Turn notifications on or off.

B Save your preferences.
